**THE IDEA**

*The title of the journal "Skhid" in Ukrainian is the meaningful metaphor of the ascension, which directs the reader to the development, movement, dynamics. The journal is a platform for discussions on social transformations as a process of structural changes in the state of society and a platform for developing optimal ways of their practical implementation. In particular: changes in established traditions; civilizational and cultural overcoming of the negative social consequences of the past; acceleration of qualitative changes and introduction of innovative experience; transition to a higher technological system; minimization of the negative impacts of the post-information society.*

Since 1999 the journal has been listed as an academic edition that can publish research papers to qualify for a Doctoral or Candidate degree in History (By order No. 1412 of the Ministry of Education and Science of Ukraine, dd 18.12.2018, Annex 10 "SKHID" Journal has been included to the "B" CATEGORY of the List of Scientific professional editions of Ukraine).
